

Make your own Leadbeater's Possum Awareness Ribbon

Figure 1

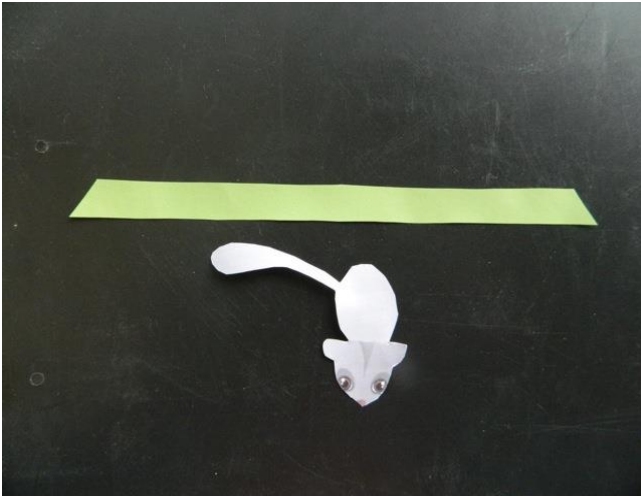

Figure 2

Figure 3

Figure 4

To make your own special ribbon, with a cute possum peeping out, follow these easy instructions.

- 1) You need some GREEN ribbon, felt or recycled paper about 1.5 cm wide x 21 cm long with the ends trimmed into points. If you don't have green ribbon or paper you can use the PDF template with 12 ribbons for you and your friends.
- 2) Print and cut out the possums on the second PDF, LAWYR x6.
- 3) Follow the pictures above to complete your Leadbeater's Possum Awareness Ribbon!

Hint: You can make your possums stronger (especially the tail) by putting sticky-tape on the back. It is easier to do this before you cut them out.
